Direct Donation Corporate Matching/Sponsor Program

What is a Corporate Matching or Partner Program and how does it benefit Hickory PTA in its support of our school?

Some employers match your donation dollar for dollar to the Hickory PTA Direct Donation. This means, your dollar counts twice as much for Hickory PTA in its support of our school! Other companies may wish to donate directly and be a sponsor of our Hickory PTA programs.

Check to see if your employer is on the list and complete the form below. If your employer is not listed, ask your Human Resources Department about the option or see if they are interested in sponsorship opportunities!
