

Hickory PTA Fundraising

We are a volunteer-led organization that works alongside Hickory Elementary staff, teachers and TCPTA. **100%** of funds raised goes towards enhancing our students' education, enrichment programs, and to fill in gaps due to budget cuts or underfunding.

HOW

do we raise money?

What is Direct Donation?

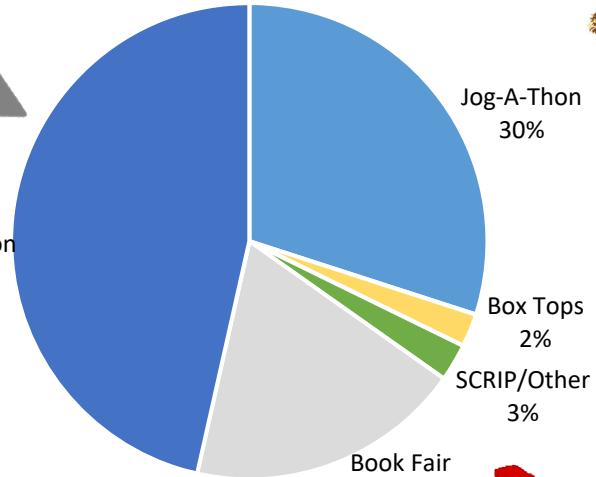

Rather than ask our students to sell candy/wrapping paper, we kindly ask families to donate directly to the PTA, ensuring that 100% of your gift goes directly to the school & students!

Did you know?

Many employers participate in a corporate matching program for non-profit organizations like us! Please consider asking your employer! Hickory PTA is a 501(c)(3) organization. Your donations may be 100% tax deductible.

Through your generous donations, the PTA is able to sponsor a number of programs for our students, including field trips, and year-round enrichment programs! Without your help, the Hickory PTA volunteers would not be able to provide the programs below.

Thank you for your support and please consider donating today!

Where does the money go?
