Diversity EQUITY Inclusion

- O1 PTA is made up of members, who represent our school and local community. A diverse PTA is a strong PTA.
- Our mission is to positively impact the lives of ALL children and bridge the gap between school & families.
- This mission cannot be achieved without knowing who's in our community and what our needs are.
- O4 Communications should reach as many people as possible. Translations should be provided if possible.
- O5 Events should be planned with an eye on DEI (and provide accomodations to make it possible for the most people to participate).

Want to help make a DEI committee or have suggestions?
